The pottery made by Bridget Hauser and her staff of talented craftsmen is created by hand, using traditional methods. Each piece is hand thrown on the potter's wheel or hand worked into slab-formed constructions. Great pride and attention are given to the human touch that is evident in our ware. Slight variations of form and color are characteristic of our

line. These differences are earmarks of the unique nature of handmade pottery, therefore dimensions are approximate.

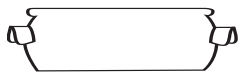

Take some time to survey the numerous items that we offer and the color lines and patterns that we have developed. We welcome email, fax or phone-in orders. We look forward to hearing from you.
